BEM-VINDO AO

FUTURO

DA VIDA PERTO DO

MAR

A person with long hair, wearing a white long-sleeved shirt and bright orange trousers, is walking barefoot on a sandy beach. The person is seen from behind, walking towards the ocean. The sun is low on the horizon, creating a warm, golden light. The ocean waves are gentle, and the sand is wet near the water's edge. In the bottom left corner, there are white, hand-drawn wavy lines representing water.

A photograph of a man and a woman on the back of a white speedboat with blue accents. They are both shirtless and have their arms raised in celebration. The woman on the left is pointing her right index finger towards the horizon. The man on the right is making a peace sign with his right hand. They are wearing colorful wristbands. The boat is moving across a vast expanse of bright turquoise water under a clear blue sky with a few wispy clouds. In the foreground, the boat's dashboard with several circular gauges is visible. The overall mood is joyful and carefree.
