A=21,40m²

This is a 3D architectural rendering of a modern apartment floor plan, viewed from above. The apartment is rectangular with a dark grey border representing the walls. The main living area is covered in large, light beige square tiles. In the center, there is a large, light beige oval rug. On the rug, a bed is positioned with a white duvet, two white pillows, and a folded orange blanket. To the left of the bed, there is a green curved sofa. Above the sofa, a small round wooden table holds two potted plants. To the right of the bed, there is a white toilet. In the bottom right corner, there is a kitchen area with a grey countertop, a white sink, a black stove with two burners, and a wooden cabinet. In the bottom left corner, there is a bathroom area with a white toilet, a white sink, and a wooden cabinet. The overall design is minimalist and modern.
